GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by S and A Restaurant Corp. ("S&A") and its affiliated debtors in these jointly administered chapter 7 cases (collectively, the "Debtors") in the United States Bankruptcy for the Eastern District of Texas (the "Bankruptcy Court") have been prepared pursuant to the Federal Rules of Bankruptcy Procedure by AlixPartners, LLP for the Debtors and are unaudited. Although AlixPartners, LLP has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Because the Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 7 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

Limitations to Financial Information

Affiliated Computer Services, Inc. ("ACS") was the contracted vendor for the debtors that managed all the information technology services and owned the AS400 where the companies main Lawson financials were stored and maintained. Shortly after the filing on July 31, 2008, ACS shut down all information technology services. As a result The Debtors and AlixPartners, LLP no longer had access to any of the financial records. AlixPartners, LLP in preparing the Schedules had to rely on information they already had. This limitation made it impossible to get certain up to date asset and liability information.

Amendment

Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Trustee reserve all rights to amend and/or supplement the Schedules and Statements as is necessary and appropriate.

Basis of Presentation

The Debtors are a privately-held corporation and filed these chapter 7 cases on July 29, 2008 (the "Petition Date"). For financial reporting purposes, the Debtors along with their subsidiaries, prepare consolidated financial statements. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where indicated otherwise. In addition, not all of the direct and indirect subsidiaries are Debtors in these chapter 7 cases. Accordingly, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from financial information regarding S&A and its subsidiaries that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements.

Causes of Action

their reasonable efforts to identify all known assets, the Debtors, may not have set forth all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Schedules and Statements shall not be deemed a waiver of any such claim, causes of action or avoidance action or in any way prejudice or impair the assertion of such claims.

Claims Designations

Any failure to designate a claim on the Debtors' Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Trustee reserves the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated."

Net Book Value of Assets

Unless otherwise indicated, the Debtors' assets and liabilities are shown on the basis of their net book value as of the Petition Date. As a result, amounts ultimately realized may vary from net book value and such variance may be material. Exceptions to this include operating cash, which is presented at bank balances as of the Petition Date. Certain other assets, such as investments in subsidiaries, are listed at undetermined amounts as the net book values may materially differ from fair market values. Attempts to obtain current market valuations of assets would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets and, as a result, has not been attempted in connection with the preparation of the Schedules and Statements.

Dates

The information provided herein, except as otherwise noted, represents the bank balances (Schedule B-2) of the Debtor as of July 29, 2008, asset data of the Debtor as of June 30, 2008 and liability data of the Debtor as of the Petition Date.

Excluded Assets and Liabilities

The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, such as goodwill, prepaid rent, deferred gift card discounts, accrued manual payables, closed stores reserves and other misc accruals. Other immaterial assets and liabilities may also have been excluded.

Fiscal Year

Each Debtors fiscal year ended on December 31, 2007 last year and December 25, 2006 the year before.

Foreign Currency

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Intercompany Transactions

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF TEXAS

S&A Restaurant Corp.

Case Number: 08-41898

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Prior to the Petition Date, the Debtors routinely engaged in intercompany transactions among the Debtors resulting in intercompany accounts payable and accounts receivable. The respective intercompany accounts payable and accounts receivable as of the Petition Date are listed at the net amount due to/due from the debtor as of the Petition Date on Schedule F for each Debtor.

Schedule D – Creditors Holding Secured Claims

Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Trustee reserves the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Trustee reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercreditor agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D.

Schedule E – Creditors Holding Unsecured Priority Claims

Schedule E usually includes employees, taxing authorities and other unsecured priority claimants. A scheduled amount is usually included based on the best information the Debtor has at time of filing. However, with the ACS issue previously discussed, AlixPartners, LLP was unable to obtain any information in regards to current amounts owed. As a result, all taxing authorities the Debtors paid within the last year are listed with unknown liability amounts. Employees are not listed since they all fall under Entities that as of August 18, 2008 have not filed.

Schedule F – Creditors Holding Unsecured Nonpriority Claims

Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts, however, are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of each date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F. Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. However, to the extent that litigation involving a particular Debtor has been identified, such information is contained in the Schedule for that Debtor.

Schedule G – Executory Contracts

Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or overinclusion may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed therein. Also, Schedule G contains all of the Debtors contracts and agreements as of the Petition Date. It is possible that some of the contracts or agreements listed on Schedule G have expired or otherwise terminated pursuant to their terms since the Petition Date. The presence of a contract or agreement on Schedule G does not constitute an admission by the Debtors that such contract or agreement is an executory contract or unexpired lease.

In some cases, the same supplier or provider may appear multiple times in Schedule G. This multiple listing is to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth in Schedule G.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. All rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercreditor agreement) related to a creditor's claim are reserved. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. Finally, certain of the executory agreements may not have been memorialized and could be subject to dispute.

Totals

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the tables.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

☐ Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.
